Denniel Joshua hails from Mabalacat, Pampanga. He has earned degrees from the Mabalacat City College. While a student, he worked for TORO Limited as a part time software developer. While his work focuses on JavaScript development. At TORO Limited he used frameworks and languages such as NodeJS, Express, AngularJS and React, his non-work interests range widely, everything from anime to creating music beats. He could tell you about it, but THAT would NOT be a “length-limited” conversation!
